

**Engineering Services for Asset Integrity
of Lifting, Handling and Specialist
Equipment**

imes

Industrial & Marine Engineering Services

Engineering Support

**Quality and Integrity Assurance,
Certification & Life Extension**

Cranes and Lifting

Structures, Mechanisms & Systems

Handling

**Specialised Equipment &
Bespoke Solutions**

Engineering Consultancy, Design Verification & Audit	Engineering and Project Support	Whole Life Lifting Equipment Management	Bespoke NDE inspection and monitoring systems	Non Destructive Examination	Training	Installation and Maintenance	Fixed LE inspection, Test and Compliance	Loose LE Inspection, Test & Compliance	Equipment Rental	Partnering and Collaboration
